

Emma Jane Microfibre Smooth Nursing Bra - 411

Colours:

If you buy one thing during your pregnancy, make it this: the holy grail of maternity and nursing bras. Not only is it soft and comfy to wear, but this Microfibre bra, with plunging neckline, is undetectable beneath the lowest-cut outfit. Microfibre is the 21st century version of cotton, smooth, breathable, but also extremely flexible and supportive. The fit is superb and at this price you can afford to splash out!

• Price: 14.95 with free delivery (click box below for details)

• Can be used both as a maternity bra and nursing bra, with quick release clips and support straps for use whilst feeding

• Colours: Rose Pink, Skin, Black or White

• UK Sizes 32-40 B-E

• EU Sizes 70-90 B-E

• 85% Polyamide-Tactel 15% Elastane

• Matching maternity briefs available

• Made in a breathable microfibre

• The cups are moulded for a smooth look.

• To ensure that the bra supports well, each cup has 2 layers of fabric.

• Soft fibrefil side panels give additional support.

• Each cup has a clip that allows for quick and easy access for breast-feeding.

• Each cup opens individually for feeding - when one cup is open the other continues to support.

• Four back eyes allow for size changes.

• If required, bra extenders are available will extend the length even further.
